

Callum Voss

- **Role:** Stealth and Infiltration Specialist
- **Callsign:** Spectre
- **Age:** 40
- **Height:** 5'11"

Background:

Callum Voss was raised on the outskirts of the Martian city of Nova Ares, where he honed his survival skills in harsh environments. His natural stealth and observational skills caught the attention of military recruiters, and his precision in navigating high-risk operations earned him the callsign "Spectre." Callum's uncanny ability to disappear into the shadows and strike unseen made him indispensable in recon missions.

Notable Traits:

- **Silent Operator:** Callum excels at infiltration, often moving undetected through hostile territory.
- **Keen Observer:** His ability to read both environments and people ensures that he stays one step ahead in any mission.
- **Dry Humor:** Though quiet, Callum has a sharp, sarcastic wit that surfaces when least expected, breaking tension in critical moments.
